•**Precision Marketing & Customer Insight:** Conducted in-depth analysis of 100+ client profiles and campaign data, identifying key conversion drivers to tailor marketing strategies, which increased the sales conversion rate by 25%. Systematically identified and documented 50+ recurring customer pain points from service interactions, providing actionable data that directly influenced the development of a youth-focused savings product.

•**Digital Marketing Operation:** Pioneered the company's direct-to-consumer channel on Xiaohongshu, scaling it to rank top 10% of local competitors (5,000+ followers, 200,000+ views). Authored data-backed content (e.g., "HK vs. Mainland Insurance Breakdown") achieving an 8% engagement rate (2.5x the platform average), establishing a new pipeline for high-quality leads.

•**Community Operations & CRM:** Designed and implemented automated CRM email sequences for policy renewals and customer touchpoints, decreasing client churn by 18% year-over-year.

•**Execution & Business Impact:** Generated over HK\$1.2M in revenue directly from the Xiaohongshu channel, achieving a 15% lead-to-client conversion rate. Produced and leveraged bilingual FAQ videos that drove 30+ monthly consultations, with adapted content boosting social shares by 40%.

Vistra Global Hong Kong | Administrative Assistant

May 2025 - Jul 2025 | Hong Kong

•**Data Management (Primary Focus):** Supported team by processing and organizing large volumes of client and internal data, ensuring high accuracy and integrity for reporting and analysis. Assisted in the preparation of client reports and presentations, contributing to the data-driven decision-making process within a fast-paced multinational environment. Gained valuable insight into corporate operations and data workflow, solidifying the desire to apply these skills in a dedicated marketing strategy role.

Inside No.7 Ltd | Founder & Marketing Lead

Feb 2022 – Nov 2023 | Edinburgh, UK

•**Full-Case Planning & Market Positioning:** Identified a clear market opportunity and defined the brand's positioning as the premier immersive entertainment service for Chinese students in Edinburgh, creating a comprehensive go-to-market strategy.

•**Community Operations & Loyalty:** Architected and managed a 1,300+ member private community (WeChat/WhatsApp), implementing a tiered membership program that increased the customer repeat purchase rate by 30%. Cultivated 4 exclusive VIP groups, which became the primary revenue driver, contributing to 70% of the total Gross Merchandise Volume (GMV).

•**Media Operations & Content Strategy:** Launched and grew the brand's Xiaohongshu presence from zero to 1,300+ followers (top 2% of local competitors) and 140,000+ impressions through a student-centric content strategy. Leveraged student KOCs (Key Opinion Consumers) in viral "Group Puzzle Hunts," with single posts directly converting over 50 paid bookings.

•**Execution & Partnership Management:** Forged and managed partnerships with 10+ Chinese student societies to execute large-scale themed events (e.g., Mid-Autumn Festival Mystery Night), increasing foot traffic by 40%. Achieved a 90% event sell-out rate through precisely targeted Chinese-language SMS and email marketing campaigns, generating £75,000+ in annual revenue.

METEN English | New Media Marketing Intern

05/2021 – 11/2021 | Guangzhou

•**Community & Execution:** Transformed a 329-member community into a key sales channel by leveraging expert-led cultural events and a 30-day gamified vocabulary challenge, increasing community engagement by 40%. This integrated strategy directly converted 15% of active members into paying customers for one-on-one courses.
